Need parents to come count cans and take it to Interfaith as we will be working with them. Jingle Jam will be in December with fun winter games spread through half of the school, bubble machines, and snow globe machine among other things. We will need volunteers for this and will come out a little later in the Powell Publisher.

-Question for Mrs. Anderson about the new elementary school and if it will affect Powell. There are about thirty something plans and only 2 would affect us.
