Principal's Report

Mrs. Anderson reported that Storybook Parade was great and everyone had a good time. We are open to receive advice on how to make anything better with this event. Coming up is Generation Texas Week where we talk about different things students can do after high school like college, university or vocational training. There will also be lots of activities planned as well like Kindergarten will have Old Plymouth Day and 2nd grade will have Fall Round Robin and Family Folk day. The events will be held during specials as we see during this time more kids are able to participate vs when events are held after school hours many can't make it.
